

## Regular Suppliers to Tees SU LTD

This document provides information of regular suppliers whom we have worked with over a number of years in the delivery of events.

We recommended using a regular supplier, as they have knowledge of our venues and we have confidence in their ability to supply the very best service to you during your time at the Student Union.

### DJs

|                                                 |                                                                                                                                                                                      |                                                                                                       |
|-------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------|
| Chris Barton                                    | 07392607246                                                                                                                                                                          | Locally based Thornaby DJ, covering all genres of music as well as proving LED letters and room décor |
